One Bowling Green, New York, New York 10004-1408

Re: Motion of Relief on my Stocks hold with GM Corporation

Dear Honorable Judge Robert E. Gerber,

This motion is written to you in my behalf and my wife. My name is John Beck and my wife is Dorina Beck, with residence at the address above. On June 22, 2009 I received a notice from your court district of GM's intent to file Chapter 11 bankruptcy.

On about July8, 2008 we purchased 243 unsecured stocks on GM corporation with the intent to have some financial security when we retire. The original value of the stocks was about \$2512. On May 31, 2009 the value was \$182.25.

I am furious about the whole ordeal. I was mislead by one financial broker to invest my money in this company and now this company is trying to leave millions of people penniless by looking for financial relief from your court by filing bankruptcy, for the simple fact that they had bad managers to manage their finances. Even worse, they robed the tax payer's money to stay afloat for another 90 days or so. I am asking you not to give any relief on my stocks and hold them accountable, from the former top CEO to the last financial manager, and to make restitution to the stockholders for this terrible ordeal.

I have only received the court's notice of adjudication in regard to GM, on June 22, 2009 and it was sent by first class mail. Because of that I was unable to respond within the court's deadline.

I am asking you kindly to consider my motion on my behalf and have GM grant me compensatory financial relief on my stocks. Specifically I would like to be reimbursed the amount of money I spent to purchase the stocks.

Along with this motion, I have enclosed a copy of my stock's activity as of May, 2009.

Thank you.

With honor and respect,

John Beck John Been JUNE 23-2009 NOT AN ADVISOR MANAGED ACCOUNT
